

The Lehmans in Puerto Rico

Preparations!

Greetings to you all as we prepare for the season of Lent!

We have been working hard here in Puerto Rico. We have several projects in the works as we speak. We continue to offer our weekly “Compañerismo”. This is a time of fellowship with a closing devotion. We continue to be blessed with growing members and non-members in attendance.

We wrapped up a 4-week session of ESL (English as a second language). Over fifty people attended, and many followed up in the online session! We are rejoicing that more people are coming to the church, so that we can have those important conversations about Christ crucified with them. We are hoping to have the same turn out in the March round of classes.

We are currently in the process of renovating our mercy house. The goal is to have it open for activities and daily worship and prayer during the week. We are excited to provide these things for our members, but also to our surrounding community. Ponce is still recovering from an earthquake that occurred two years ago. The area of the church was badly affected. These daily services as well as our other planned activities will bring some much-needed life to this beautiful area.

The church has also been offering monthly theology classes for our members. This past Saturday, we had record attendance as Pastor Lehman taught the *Augsburg Confession: Article III “The Son of God.”* We continue to be amazed by our members. They continue learn and grow...and are even asking for more! Please pray for both the congregation (Ponce) and the congregation in Mayaguez. The Lord is opening many doors to His people right now, and we are excited to see what this New Year brings!
